Dear Sponsor,

Thank you for taking this opportunity to assist in the development of one of the most innovative and successful band programs in the state of Florida – the Timber Creek Regiment.

The Timber Creek Regiment has dazzled audiences throughout the state with high energy marching performances. Band students embody the notion of the student athlete; if you have witnessed a marching band performance or competition you easily understand why we call them “athletes”. These students perform a 9 minute program marching at intense speeds while carrying instruments that would challenge even the most fit individuals! In 2010, the Timber Creek Regiment was the 5A State Champion at the Florida Marching Band Coalition State Championships!

Academic achievement is synonymous with Regiment members. Most of our students participate in the Advanced Placement curriculum and we name several valedictorians among our alumni. Last year’s senior class is also proud to include 2 of the 6 Timber Creek National Merit Scholars. National Merit Scholarship is the epitome of academic achievement and Timber Creek is proud to have one of the highest totals of scholars in the state of Florida.

Our students and alumni work and volunteer in the community. Their time in the Regiment teaches them discipline and respect and that hard work pays off in long term success.

Running a successful band program takes time and money. Band parent volunteers log over 10,000 hours each year, and they travel to competitions and football games up to 15 times each season. All of this does not come without financial cost. Equipment and personnel transportation, purchasing and maintenance costs of equipment, teaching assistants, custom music composition, choreography, uniforms and miscellaneous items all add up. Your generous sponsorship will enable our students to enjoy continued success in all performance and academic ventures at Timber Creek High School!

Best Regards,

Mr. Rhett Cox, Mr. Devin Hoey and Ms. Staci Conkling
